Guidelines for teachers about oral questions. (Total Marks 10)

Oral Q. 1 Read the following passage carefully. (5 Marks)

Skill : Reading

Objective : To assess the reading ability.

Instructions for the teacher :

The question aims at assessing the ability of the student to read with comprehension. Since this is an oral question, each student is to be dealt in independently. If the number of students in the class is big, the oral assessment may be spread over 4-5 days.

George Washington Carver was born in 1861. His family worked on a farm in America. He lost both his parents when he was still a baby.

Carver loved plants even as a child. He cared for them. He understood what the plants wanted, what was wrong with them. Soon, people around the farm began to call the young boy 'plant doctor'. He studied hard and became a scientist. Carver went to teach at the Tuskegee Institute in Alabama. He worked there all his life.
